Application of Thomas J. Christenson

Dear Ms. Sindberg Porter:

I am applying for the position of judge on the Workers' Compensation Court of Appeals. In my 40 years of practice, I have represented injured employees and employers, and insurers in workers' compensation claims. For the last 22 years, I have been an attorney with Quinlivan & Hughes, PA, in St. Cloud. I have broad legal experience handling workers' compensation, personal injury, and construction defect claims. I also routinely handle cases in Wisconsin and North Dakota. My resume sets out the breadth of my legal experience and community activities.

What my resume does not reveal is my collegiality with opposing counsel, born from my respect for diversity and level-headedness. Over my years of practice, I have developed a reputation for integrity, knowledge of the law, and being even-tempered. These traits and my critical thinking, thorough research, careful analysis, and common sense will help me be an outstanding judge. My depth of experience and comprehensive legal background will be an asset to the W.C.C.A. and makes me an exceptional candidate for the vacancy on the court.

Though I have a Danish surname, my ethnic background is Hispanic, as I was adopted as an infant. My father, a bricklayer, instilled in me that hard work and attention to detail are traits one should bring to work each day. I have demonstrated these attributes as I became the first person in my family to attend and graduate from college and professional school. My practice in outstate Minnesota and the Twin Cities allowed me to meet a diverse and inclusive group of lawyers who taught me the art of advocacy. One of my mentors taught me the importance of listening before speaking, which I believe is an asset all judges should possess. In addition, I have developed a writing style that is understandable, concise, and direct, a strength that will assist me when authoring decisions.

Thank you for reviewing my application, resume, and cover letter. I believe that my letters of recommendation will provide you with further information on my qualifications to become a judge on the W.C.C.A. If you need additional information regarding my application, please do not hesitate to contact me. I look forward to meeting with you and discussing the opportunity to serve the State of Minnesota and its residents in this important and vital position.

Sincerely,

Thomas J. Christenson
