To Whom it may concern.

I am interested in the open position for the Professional Educator Licensing and Standards Board. I have been Chair of PELSB for the 2 years and would like to continue the work I have started. I have been working in education since 1995. I have spent my career in Burnsville, I started as an educational assistant in a level 3 emotional behavior classroom. During that time, I gained my teachers license in special education Emotional Behavioral Disabilities. I have also obtained a reading license.

Currently am working as a special education teacher in the Burnsville Middle school Virtual Academy. I was also a part time field representative with Education Minnesota where I worked with the Bloomington School District nurses, collectively bargain their contract.

I look forward to hearing from you to discuss the available position. Feel free to contact me any time
