Dear Governor Walz,

I am requesting reappointment to the Perpich Center for Arts Education Board of Directors Agency.

I was appointed in 2016 by then Governor Dayton. At the time I was alerted to this open position by Mary Schaeffle, Executive Director of the Minnesota Music Educators Association who encouraged me to apply.

PCAE was seeking a representative from CD 1 (required by state statute) who also has or had School Board experience and an arts background. I have both.

I taught orchestra in grades 4-12 in the Rochester Public Schools from 1974-2010, most of which was high school orchestra. (Chris Schmitter was one of my orchestra students at John Marshall High School).

After I retired in 2010 I successfully ran for the Rochester School Board and have been both Vice Chair and Chair twice each. I ran unopposed in 2014 and was re-elected in 2018.

During my term on the PCAE Board, I have worked extensively to meet the requirements of the then newly released OLA Budget and Program reports, and testified before legislative committees on behalf of PCAE. I worked well with Ben Vander Kooi (also appointed in 2016) who was instrumental in getting Perpich back on track, and you are welcome to use him as a reference. 507-283-9546 or 507-920-8703.

I am currently starting my second year as PCAE Board Chair, and would like to continue the work of supporting the agency which provides quality Arts Education, teacher education throughout the state of Minnesota and the Perpich Arts High School (grades 11 and 12).

Thank you for your dynamic support of public education; I very much enjoyed and appreciated your inspiring remarks at the MSBA Conference last week!

I look forward to continue my work on the PCAE Board of Directors.

Sincerely,

Julie Workman
