Page 1, after line 6, insert:

"Section 1. Minnesota Statutes 1998, section 169.14, subdivision 4, is amended to read:

Subd. 4. [ESTABLISHMENT OF ZONES BY COMMISSIONER.] On determining upon the basis of an engineering and traffic investigation that any speed set forth in this section is greater or less than is reasonable or safe under the conditions found to exist on any trunk highway or upon any part thereof, the commissioner may erect appropriate signs designating a reasonable and safe speed limit thereat, which speed limit shall be effective when such signs are erected. Any speeds in excess of such limits shall be prima facie evidence that the speed is not reasonable or prudent and that it is unlawful; except that any speed limit within any municipality shall be a maximum limit and any speed in excess thereof shall be unlawful. On determining upon that basis that a part of the trunk highway system outside a municipality should be a zone of maximum speed limit, the commissioner may establish that part as such a zone by erecting appropriate signs showing the beginning and end of the zone, designating a reasonable and safe speed therefor, which may be different than the speed set forth in this section, and that it is a zone of maximum speed limit. The speed so designated by the commissioner within any such zone shall be a maximum speed limit, and speed in excess of such limit shall be unlawful. The commissioner may in the same manner from time to time alter the boundary of such a zone and the speed limit therein or eliminate such zone.

The commissioner shall establish a maximum speed limit of 25 miles per hour in a school zone after a school board and local authority jointly request this action for a school zone within their jurisdictions.

Sec. 2. Minnesota Statutes 1998, section 169.14, subdivision 5a, is amended to read:

Subd. 5a. [SPEED ZONING IN SCHOOL ZONE; SURCHARGE.] Local authorities may establish a school speed limit within a school zone of a public or nonpublic school upon the basis of an engineering and traffic investigation as prescribed by the commissioner of transportation. The establishment of a school speed limit on any trunk highway shall be with the consent of the commissioner of transportation, except where a 25 mile per hour speed limit has been requested under section 169.14, subdivision 4. Such school speed limits shall be in effect when children are present, going to or leaving school during opening or closing hours or during school recess periods. The school speed limit shall not be lower than 15 miles per hour and shall not be more than 20 miles per hour below the established speed limit on an affected street or highway if the established speed limit is 40 miles per hour or greater, except where a 25 mile per hour speed limit has been requested under section 169.14, subdivision 4.

The school speed limit shall be effective upon the erection of appropriate signs designating the speed and indicating the beginning and end of the reduced speed zone. Any speed in excess of such posted school speed limit is unlawful.
