"Sec. 10. **RULEMAKING; SEPTIC SYSTEM PROFESSIONALS; ELIGIBILITY.**

The commissioner of the Pollution Control Agency shall adopt rules, using the expedited rulemaking process in Minnesota Statutes, section 14.389, to create a procedure for previously or currently certification-eligible septic system professionals to apply to re-establish or maintain certification eligibility. The conditional eligibility shall begin upon acceptance of an application by the Pollution Control Agency and end upon completion of recertification procedures, including

completion of necessary continuing education and examinations. The length of the conditional eligibility shall be limited to one year.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 11. **RULEMAKING; SSTS; EXISTING CAMPGROUNDS AND RESORTS.**

(a) The commissioner of the Pollution Control Agency shall adopt rules, using the expedited rulemaking process in Minnesota Statutes, section 14.389, to eliminate the need for existing campgrounds and resorts that are open for 180 days or less per year to estimate wastewater flow rates to subsurface sewage treatment systems as required by Minnesota Rules, part 7081.0040, subpart 1, item B. The rules shall establish flow monitoring and recording for subsurface sewage treatment systems at existing campgrounds and resorts that are open for 180 days or less per year as provided in paragraphs (b) to (f).

(b) The rules shall provide that existing campgrounds and resorts are allowed to use the following flow measurement methods:

(1) sewage lift station pump with runtime meter and counter;

(2) sewage flow meter;

(3) flow meters on wells; and

(4) water softener system with flow measurement when the measurement includes all flow to the subsurface soil treatment system, including backwash.

(c) The measured flow rate must include the total of all treatment systems that are located on the resort or campground. If fewer than 25 percent of the systems are not measured, an average of the metered systems can be used to determine the flow from the unmetered systems.

(d) A daily flow rate and daily campground occupancy rate must be recorded for a minimum of two weeks, centered on and including July 4. Weekly monitoring must also be done for an additional continuous two weeks prior and two weeks following July 4.

(e) If no flow data exists, the existing campground or resort owner or operator shall implement an acceptable flow measurement plan and start measuring and recording flow data within 120 days of notification.

(f) Flow measurement devices must be calibrated before start-up of monitoring and another calibration during the test to verify results.

EFFECTIVE DATE. This section is effective the day following final enactment."

"Sec. 11. Minnesota Statutes 2014, section 349.213, subdivision 1, is amended to read:

Subdivision 1. **Local regulation.** (a) A statutory or home rule city or county has the authority to adopt more stringent regulation of lawful gambling within its jurisdiction, including the prohibition of lawful gambling.

(b) A statutory or home rule city or county may require a permit for the conduct of gambling exempt from licensing under section 349.166. The fee for a permit issued under section 349.166 may not exceed \$100.

(c) The authority granted by this subdivision does not include the authority to require a license or fee for a license or permit to conduct gambling by organizations, gambling managers, gambling employees, or sales by distributors or linked bingo game providers licensed by or registered with the board.

(d) The authority granted by this subdivision does not include the authority to require an organization to make specific expenditures of more than ten percent per year from its net profits derived from lawful gambling.

(e) For the purposes of this subdivision, net profits are gross profits less amounts expended for allowable expenses and paid in taxes assessed on lawful gambling.

(f) A statutory or home rule charter city or a county may not require an organization conducting lawful gambling within its jurisdiction to make an expenditure to the city or county as a condition to operate within that city or county, except:

(1) as authorized under section 349.16, subdivision 8, or 297E.02; or

(2) by an ordinance requirement that such organizations must contribute ten percent per year of their net profits derived from lawful gambling conducted at premises within the city's or county's jurisdiction to a fund administered and regulated by the responsible local unit of government without cost to such fund. The funds must be disbursed by the local unit of government for (i) charitable contributions as defined in section 349.12, subdivision 7a, or (ii) police, fire, and other emergency or public safety-related services, equipment, and training, excluding pension obligations. A contribution made by an organization is not considered an expenditure to the city or county nor a tax under section 297E.02, and is valid and lawful. A city or county receiving and

making expenditures authorized under this clause must by March 15 of each year file a report with the board, on a form the board prescribes, that lists all such revenues collected, interest received on fund balances, and expenditures for the previous calendar year. A home rule or statutory city or county making charitable contributions authorized under this clause must acknowledge financial contributions of organizations conducting lawful gambling to the community and to the recipients of the funds. This may occur in communications about the funds as well as in the distribution of funds.

(g) A statutory or home rule city or county may by ordinance require that a licensed organization conducting lawful gambling within its jurisdiction expend all or a portion of its expenditures for lawful purposes on lawful purposes conducted or located within the city's or county's trade area. Such an ordinance must be limited to lawful purpose expenditures of gross profits derived from lawful gambling conducted at premises within the city's or county's jurisdiction, must define the city's or county's trade area, and must specify the percentage of lawful purpose expenditures which must be expended within the trade area. A trade area defined by a city under this subdivision must include each city and township contiguous to the defining city.

(h) A more stringent regulation or prohibition of lawful gambling adopted by a political subdivision under this subdivision must apply equally to all forms of lawful gambling within the jurisdiction of the political subdivision, except a political subdivision may prohibit the use of paddlewheels.

Sec. 12. **EFFECTIVE DATE.**

This act is effective the day following final enactment."
