518D.311 WARRANT TO TAKE PHYSICAL CUSTODY OF CHILD.

(a) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is immediately likely to suffer serious physical harm or be removed from this state.

(b) If the court, upon the testimony of the petitioner or other witness, finds that the child is imminently likely to suffer serious physical harm or be removed from this state, it may issue a warrant to take physical custody of the child. The petition must be heard on the next judicial day after the warrant is executed unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The application for the warrant must include the statements required by section 518D.308, paragraph (b).

(c) A warrant to take physical custody of a child must:

(1) recite the facts upon which a conclusion of imminent serious physical harm or removal from the jurisdiction is based;

(2) direct law enforcement officers to take physical custody of the child immediately; and

(3) provide for the placement of the child pending final relief.

(d) The respondent must be served with the petition, warrant, and order immediately after the child is taken into physical custody.

(e) A warrant to take physical custody of a child is enforceable throughout this state. If the court finds on the basis of the testimony of the petitioner or other witness that a less intrusive remedy is not effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances of the case, the court may authorize law enforcement officers to make a forcible entry at any hour.

(f) The court may impose conditions upon placement of a child to ensure the appearance of the child and the child's custodian.

(g) For purposes of this section, serious physical harm includes the provision of gender-affirming care, as defined in section 543.23, paragraph (b).

EFFECTIVE DATE. This section is effective the day following final enactment.

518D.313 RECOGNITION AND ENFORCEMENT.

(a) A court of this state shall accord full faith and credit to an order issued by another state and consistent with this chapter which enforces a child custody determination by a court of another state unless the order has been vacated, stayed, or modified by a court having jurisdiction to do so under sections 518D.201 to 518D.210 and this section.

(b) A court of this state has jurisdiction to vacate, stay, or modify a child custody determination of a court of another state if the parent or guardian allows the child to access gender-affirming care, as defined in section 543.23, paragraph (b). The court must vacate, stay, or modify the child custody determination to the extent necessary to prevent a parent from allowing the child to access gender-affirming care.
