"Sec. 12. Minnesota Statutes 2023 Supplement, section 124D.151, subdivision 5, is amended to read:

Subd. 5. **Application process; priority for high poverty schools.** (a) ~~To qualify for program approval for fiscal year 2017, a district or charter school must submit an application to the commissioner by July 1, 2016. To qualify for program approval for fiscal year 2018 and later, a district or charter school must submit an application to the commissioner by January 30 of the fiscal year prior to the fiscal year in which the program will be implemented. The application must include:~~

(1) a description of the proposed program, including the number of hours per week the program will be offered at each school site or mixed-delivery location;

(2) an estimate of the number of eligible children to be served in the program at each school site or mixed-delivery location; and

(3) a statement of assurances signed by the superintendent or charter school director that the proposed program meets the requirements of subdivision 2.

(b) The commissioner must review all applications ~~submitted for fiscal year 2017 by August 1, 2016, and must review all applications submitted for fiscal year 2018 and later~~ by March 1 of the fiscal year in which the applications are received and determine whether each application meets the requirements of paragraph (a).

(c) The commissioner must divide all applications for new or expanded voluntary prekindergarten programs under this section meeting the requirements of paragraph (a) and school readiness plus programs into four groups as follows: the Minneapolis and St. Paul school districts; other school districts located in the metropolitan equity region as defined in section 126C.10, subdivision 28; school districts located in the rural equity region as defined in section 126C.10, subdivision 28; and charter schools. Within each group, the applications must be ordered by rank using a sliding scale based on the following criteria:

(1) concentration of kindergarten students eligible for free or reduced-price meals by school site on October 1 of the previous school year. A school site may contract to partner with a community-based provider or Head Start under subdivision 3 or establish an early childhood center and use the concentration of kindergarten students eligible for free or reduced-price meals from a specific school site as long as those eligible children are prioritized and guaranteed services at the mixed-delivery site or early education center. For school district programs to be operated at locations that do not have free and reduced-price meals concentration data for kindergarten programs for October 1 of the previous school year, including mixed-delivery programs, the school district average concentration of kindergarten students eligible for free or reduced-price meals must be used for the rank ordering;

(2) presence or absence of a three- or four-star Parent Aware rated program within the school district or close proximity of the district. School sites with the highest concentration of kindergarten students eligible for free or reduced-price meals that do not have a three- or four-star Parent Aware program within the district or close proximity of the district shall receive the highest priority, and school sites with the lowest concentration of kindergarten students eligible for free or reduced-price meals that have a three- or four-star Parent Aware rated program within the district or close proximity of the district shall receive the lowest priority; and

(3) whether the district has implemented a mixed delivery system.

(d) The limit on participation for the programs as specified in subdivision 6 must initially be allocated among the four groups based on each group's percentage share of the statewide kindergarten enrollment on October 1 of the previous school year. Within each group, the participation limit for fiscal years 2018 and 2019 must first be allocated to school sites approved for aid in the previous year to ensure that those sites are funded for the same number of participants as approved for the previous year. The remainder of the participation limit for each group must be allocated among school sites in priority order until that region's share of the participation limit is reached. If the participation limit is not reached for all groups, the remaining amount must be allocated to the highest priority school sites, as designated under this section, not funded in the initial allocation on a statewide basis. For fiscal year 2020 and later, the participation limit must first be allocated to school sites approved for aid in fiscal year 2017, and then to school sites approved for aid in fiscal year 2018 based on the statewide rankings under paragraph (c).

(e) Once a school site or a mixed delivery site under subdivision 3 is approved for aid under this subdivision, it shall remain eligible for aid if it continues to meet program requirements, regardless of changes in the concentration of students eligible for free or reduced-price meals.

(f) If the total number of participants approved based on applications submitted under paragraph (a) is less than the participation limit under subdivision 6, the commissioner must notify all school districts and charter schools of the amount that remains available within 30 days of the initial application deadline under paragraph (a), and complete a second round of allocations based on applications received within 60 days of the initial application deadline.

(g) Procedures for approving applications submitted under paragraph (f) shall be the same as specified in paragraphs (a) to (d), except that the allocations shall be made to the highest priority school sites not funded in the initial allocation on a statewide basis.

Sec. 13. Minnesota Statutes 2022, section 124D.151, subdivision 7, is amended to read:

Sec. 37. **[209A.01] DEFINITIONS.**

The definitions in chapter 200 apply to this chapter.

Sec. 38. **[209A.02] CONTESTANT; GROUNDS.**

Any eligible voter, including a candidate, wishing to contest the election of the presidential elector or alternate in the courts of this state whether over an irregularity in the conduct of an election or canvass of votes, the question of who received the largest number of votes legally cast, on the grounds of deliberate, serious, and material violations of Minnesota election law, or any other ground must do so according to this chapter.

Sec. 39. **[209A.03] NOTICE OF CONTEST.**

Subdivision 1. **Manner; time; contents.** Service of a notice of contest must be made in the same manner as the service of summons in civil actions. The notice of contest must specify the grounds on which the contest will be made. The contestant shall serve notice of the contest on the parties enumerated in this section. Notice must be served and filed on or before 5:00 p.m. one day after the canvass is completed, except that if the election is being recounted pursuant to section 204C.35, the time for notice of a contest shall begin to run upon certification of the results of the recount by the canvassing board.

Subd. 2. **Notice filed with court.** The contestant shall file the notice of contest under this section with the supreme court.

Subd. 3. **Notice served on parties.** The notice of contest must be served on all candidates for the office and on any other party as required by the court. A copy must also be furnished to the governor and secretary of state. If personal or substituted service on any party cannot be made, an affidavit of the attempt by the person attempting to make service and the affidavit of the person who sent a copy of the notice to the contestee by certified mail is sufficient to confer jurisdiction upon the court to decide the contest.

Sec. 40. **[209A.04] CONTESTEE'S ANSWER.**

Subdivision 1. **Contest of vote count.** If a notice of contest questions only which of the parties to the contest received the highest number of votes legally cast at the election, the contestee need not file an answer, unless the contestee desires to raise issues not specified in the notice of contest.

Subd. 2. **Other contests.** For all other election contests the contestee's answer to the notice of contest must be filed and served on all candidates for the office and on any other party as required by the court. A copy must also be furnished to the governor and secretary of state. The answer must so far as practicable conform to the rules for pleading in civil actions. Service and filing of the answer must be made two days after service of the notice of contest. The contestee's answer must be served in the same manner as the answer in a civil action or in the manner the court may order. Any other notices must be served in the manner and within the times the court may order.

Sec. 41. **[209A.05] VENUE.**

The court for the election contest of presidential electors shall be the supreme court.

Sec. 42. **[209A.06] GUARDING AND INSPECTING THE BALLOTS.**

The provisions of sections 209.05 and 209.06 apply to election contests filed under this section. The chief justice of the supreme court shall appoint any inspectors required under this section.

Sec. 43. **[209A.07] PLEADINGS; PROCEDURE.**

The notice of contest and any answer are the pleadings in the case and may be amended in the discretion of the supreme court. The contest proceedings must be brought as soon as practicable. The court shall proceed in the manner provided for the trial of civil actions so far as practicable, but must issue its decision at least one day before the deadline to submit the certificate of ascertainment as required under the laws of the United States.

Sec. 44. **[209A.08] RESULTS OF CONTEST.**

Subdivision 1. **Generally.** When the court decides an election contest under this chapter, the court may invalidate and revoke any election certificate which has been issued to a presidential elector. If the contest involved an error in the counting of ballots, the official authorized to issue the certificate of election shall issue the certificate to the person entitled to it, but if a contestant succeeds in a contest where there is no question as to which of the candidates received the highest number of votes cast at the election, the contestant is not, by reason of the disqualification of the contestee, entitled to the certificate of election.

Subd. 2. **Defective ballots.** In a contested election, if the court decides that a serious and material defect in the ballots used changed the outcome of the election, the election must be declared invalid.

Subd. 3. **Costs of contest.** If the contestee succeeds, costs of the contest must be paid by the contestant. If the contestant succeeds, costs of the contest must be paid by the contestee, except that if the contestee loses because of an error in the counting of ballots or canvass of the returns or because of any other irregularity in the election procedure, costs must be paid, in the discretion of the judge, by the election jurisdictions responsible for errors which resulted in the reversal of the prior results of the election.

Sec. 45. Minnesota Statutes 2023 Supplement, section 243.205, is amended by adding a subdivision to read:
