

Joint Senate and House Publications

(Most of the following information and materials are available on the internet at www.leg.mn or on the Senate or House websites)

Legislative Directory (Red Book) - Available in March of odd-numbered years. In addition to member and committee information, it contains the Senate and House Permanent Rules; statutory and constitutional provisions relating to the legislature; state agency, constitutional officer and federal information.

Members Directory (Green Book) - Available in February of odd-numbered years. This publication contains member biographies, room and phone numbers, committee assignments, as well as federal information.

Election Directory - Available immediately following an election. It contains photo and biographical information. (Does not include committee assignments, or Capitol or State Office Building room and phone numbers for newly elected members.)

Seating Chart - Shows where each House or Senate member's seat is located within their respective chamber.

Member List - Lists office addresses and phone numbers for Legislators

Senate Publications

(Available in Room G204 Minnesota Senate Building or at www.senate.mn)
