Reference: Application for Board Member Position with Minnesota Gambling Control Board

To whom it may concern:

Please accept this letter, along with the attached copy of my résumé, for consideration for the board member position with the Minnesota Gambling Control Board. As you will see in my résumé, I have a unique background which includes 17 years of experience in working closely with the gaming industry, including the Gambling Control Board, as a special agent and senior special agent for the MN-DPS, Division of Alcohol & Gambling Enforcement.

As a former gaming agent for the state, I have an excellent working knowledge of how state regulation works to protect and serve the public through rules and regulations that ensure industry products and services are held to high and consistent standards.

Throughout my extensive career in law enforcement and public service, I have maintained the highest performance standards within a diverse range of officer and supervisor administrative functions, as illustrated on my résumé.

I also have experience serving in two other non-paid elected board positions with My Credit Union and my local Homeowners Association, (HOA) Hamlet at Southbridge. In these board positions, I work in close collaboration with other board members to manage a budget, approve and oversee policies, strategic planning and serve the members whom the board represents .

With a strong background in government regulations, public service, and experience serving on other boards, I believe I would be an excellent fit for this position.

Thank you for your time and consideration.

Yours truly,

Doug Forsman
