Inver Grove Heights, MN 55076

March 10, 2021

American Legion State Commander of Minnesota
20 West 12th Street, Room 300-A
St. Paul, MN 55155

Dear Commander,

Please accept my application for the position as a Board member. Your mission is to serve members by building relationships to promote The American Legion's programs, patriotism and honor, to make our communities better and stronger. The Department will develop a culture of growth by preparing generations of our Veteran brothers and sisters to meet their citizenship obligations.

As an active member of my community, I have worked towards ensuring members I come in contact with leave my office knowing I will help to ensure a better future during difficult and successful times in their life.

I graduated May 22, 2020 with a Master's degree in Social work. During my journey, I have had many opportunities to learn about who I am as a person and why my passion for serving others has led me to where I am today. Since I started my journey in the helping profession, I have made it a life goal to assist clients in need of services. Some of those services include financial assistance, understanding policy and procedure within the VA, conflict resolution, manage the quality process and controlled procedures; I work tirelessly to ensure everyone's needs are met. I also work closely with fellow veterans as the Resource Officer for the American Legion Post 98 to ensure our Military and Veteran community are not forgotten. All of these skills make me a strong candidate as a Board member. Being a veteran myself, I appreciate being able to continue serving my country differently, by helping the people here in my community.

I have a passion for efficiency, and quality along with a skill set that includes attention to detail, excellent communication skills, and a tireless work ethic. It would be a dream to work with such a passionate team that has the drive to assist our community members in more ways than one. I look forward to hearing from you.

Sincerely,

Janet Lorenzo
