MNsure Board of Directors Search Committee
355 Randolph Avenue, Suite 100
St. Paul, MN 55102

Dear MNsure Board of Directors Search Committee:

Thank you for considering my application for the health administration and finance representative on the MNsure Board of Directors. I retired from Blue Cross Blue Shield of Minnesota last year after serving four years as a Senior Medical Director and Vice President in Government Markets. I previously practiced geriatric and family medicine at Park Nicollet Clinic and transitioned to healthcare executive leadership in order to systematically transform healthcare delivery, payment, and policy to provide higher quality, more affordable, and more accessible healthcare for everyone. I have served in Vice President and Executive Medical Director positions for quality, innovation, and population health at Park Nicollet, Medica, Health East, and Blue Cross Blue Shield. Over the past year, I have been consulting with provider systems in value-based healthcare transformation. I have a passion for healthcare justice and have served as Co-chair of the Health Equity Advisory Committee for Minnesota Community Measurement and as member of the Health Equity and Diversity Leadership Council at Blue Cross Blue Shield. My experiences in clinical care, healthcare delivery systems, health insurance, and health equity will add a deep and broad perspective to the MNsure Board of Directors. I would be honored to contribute my knowledge, time, and passion towards MNsure's mission "to ensure all Minnesotans have the security of health insurance."

Sincerely,

Daniel Trajano, MD, MBA
